NEW COURSES FOR 2023

PSYCHOSOCIAL HAZARDS IN THE WORKPLACE

Identify and address psychosocial risk

Learn how to identify, manage and address psychosocial hazards in the workplace and ensure compliance with Western Australia's WHS legislation.

18 JULY or 10 OCT

PSYCHOLOGICAL FIRST AID: CRISIS RESPONSE TOOLS

Evidence-based, post-incident support

Designed for first responders and support people, Psychological First Aid is an evidence-based set of responses to support people after an emergency or disaster.

6 DEC

ROOM OR ZOOM?

If you would like to attend one of our scheduled courses but can't make it to the venue, most of our courses are available live via Zoom. Simply select "online attendance" when making your booking.

Likewise, custom courses for organisations can be delivered in person at the venue of your choice or live via Zoom.

VENUE HIRE

Our centrally located **West Leederville** venue offers an exceptional suite of spaces for your next training or event.

Custom designed for acoustics and comfort, and filled with natural light, this polished but relaxed space is the ideal place for your team to evolve.
